## Pioneering Platform

Aggregating renowned large suppliers, compliant Small Businesses, socio-economic tracking and a Procurement Concierge, in our one-stop-shop government buyers can search, sort, verify vendors, check out and track all their purchases.

## Simplified Purchasing Experience

- ▶ **Access an Intelligent Search Bar** with single-screen product and price comparison.
- ▶ **Optimize for mandatory sources** such as AbilityOne, best price, past performance or other agency goals.
- ▶ **Verify vendor compliance status**, blacklist clearances and certification documents.
- ▶ **Check out with Government Purchase Cards**, POs or other agency-approved payment methods.
- ▶ **Track your orders**, socio-economic goals, budgets and returns in powerful visual dashboards.

## Top Product Categories

IT, Industrial Equipment, Office Supplies, Construction Materials, and Safety Supplies.

## Verified Small Businesses

Over 67% of our government orders have been fulfilled by Small and Diverse vendors, including Certified Small Business, SB8(a), Women-Owned, Veteran-Owned, Minority-Owned, Black-Owned, HUBZONE Certified, Disadvantaged, and other groups.

## Expert Procurement Concierge

Available 24/7 to assist with real-time sourcing, vendor inquiries, general questions and ordering support via our Live Chat, email, support line, and Help Center.
